whatever work he thinks needs to be done on this bill right here on General File. There's no reason in this world why that needs to be moved a step across the board. If he wants to bracket here, fine. I'd support that bracket motion right here on General File. If we don't vote to advance the bill, the bill doesn't die, it just stays on General File. So I would urge that we not vote to advance this bill which is going to motivate, motivate these people in favor of this bill, to strenuously straighten it out as it should be straightened out before it should be moved.

PRESIDENT: Well, we have a priority motion.

CLERK: Mr. President, (Read Fowler's motion to bracket found on page 302 of the Journal).

PRESIDENT: Senator. When do you want to bracket? To when?

SENATOR FOWLER: Just bracket it. Bracket it till Senator De Camp can get his information. I'd ask unanimous consent.

PRESIDENT: Is there an objection? Yes. No, no, wait. There's an objection, Senator. Senator Fowler, you have the floor.

SENATOR FOWLER: Was that an objection?

PRESIDENT: Yes. Is there an objection? I don't see any. Unanimous consent is granted. The bill is bracketed indefinitely. The next bill.

CLERK: Mr. President, the next bill is LB 108. That's offered by Senator Richard Lewis. He has a motion to bracket that bill until February 3rd, Mr. President.

CLERK: Yes, Mr. President. (Read meeting notice of Nebraska Transportation Advisory Committee found on page 303 of the Journal. Read notice of correction on Committee hearings found on page 303 of the Journal. Read notice of Committee hearings of Constitutional Revision and Recreation Committee found on page 302 of the Journal. Read by title for the first time, LB 793-796). Mr. President, LR 150 and 153 are ready for your signatures.

PRESIDENT: While the Legislature is in session and capable of transacting business I propose to sign and hereby sign LR 153, 150 and that's all. Do you have anything further? Do you have anything, Mr. Speaker?

SPEAKER LUEDTKE: Yes, Mr. President, just a reminder to the Committee chairmen that we have a meeting at 8:30 in the morning. We do have quite a bit of business to transact so I'd wish we'd all get there as soon as we can and beyond that I just want to mention that we are getting the agendas out the evening before so, today I heard on two or three occasions, somebody saying, oh, I didn't know that was coming up so soon.
